C.4 Philosophy of the Biomedical and Health Sciences
C.5 Philosophy of the Cognitive and Behavioral Sciences
C.6 Philosophy of Computing and Computation

C.7 Philosophy of the Humanities and the Social Sciences
C.8 Philosophy of the Applied Sciences and Technology
C.9 Philosophy of Emerging Sciences

Contributed papers

Please submit, in EasyChair – https://easychair.org/conferences/?conf=clmpst2019 –
an abstract of 500 words (including the references) prepared for anonymous review.
Indicate to which section you submit the paper (tick the appropriate box).

Contributed symposia

Symposia are groups of talks on a common theme. Each symposium consists of **four
to twelve** papers.

In EasyChair – https://easychair.org/conferences/?conf=clmpst2019 – please make a
submission for each paper (b) as well as a submission for the symposium as a whole
(a).

Please prepare all parts of the submission for anonymous review and indicate in which
section you submit the symposium (tick the appropriate box). Please make sure that
all contributors chose the same section.

 (a) For the symposium as a whole, please provide a general description of the
 format and the topic of the proposed symposium and its significance (up to 500
 words), and suggest a symposium chair. After the abstract, please list the titles
 of the talks in the order they should appear at the conference. Please provide the
 symposium with an acronym, and write this acronym at the beginning of the
 title of the symposium (<Symposium acronym>: <Title of symposium>). The
 acronym will be used by the Programme Committee to keep the individual
 submissions in a proposal together during reviewing and when creating the
 conference programme.

 (b) Each paper within a symposium is submitted with a 500-word abstract.
 Please write the acronym of the symposium at the beginning of the title of the
 talk (<Symposium acronym>: <Title of the individual talk>). The acronym will
 be used by the Programme Committee to keep the individual submissions in a
 proposal together during reviewing and when creating the conference
 programme.

Rules for multiple presentations

 (a) Every corresponding author is allowed to submit only one individual or
  symposium paper as a "speaker". (Organising a symposium does not count as
  being a "speaker".)

(b) Authors are permitted to be listed as non-corresponding co-authors of additional papers.

(c) The corresponding author of each paper as well as the organiser of a symposium must be registered as a participant at the Congress and present the paper in Prague.

All questions about submissions should be directed to the congress secretary, Mr. Martin Zach, at: clmpst2019@flu.cas.cz.

The members of the programme committee are listed here: http://clmpst2019.flu.cas.cz/about-clmpst-2019/.

Important dates:

15 December 2018	Deadline for abstract submissions
March 2019	Notifications of acceptance
March 2019	Congress registration opens
15 May 2019	Deadline for early bird registrations
15 July 2019	No more refunds for registration cancellations
5–10 August 2019	16th CLMPST, Czech Technical University, Prague

Hanne Andersen (Chair of the Programme Committee)
Benedikt Löwe (Secretary General of the DLMPST/IUHPST)
Tomáš Marvan (Head of the Local Organizing Committee)
